½ oz. Water

8 dashes of Peychaud's Bitters

T RADLERS

Beer. Juice. Booze. These three-ingredient combos combine three of the greatest things on the planet to make the ultimate summer sipper. Best enjoyed after a long trail ride or while muskie fishing in an '87 Alumacraft.

SOLO (serves 1)

1 ½ oz. Tattersall Grapefruit Crema

¼ oz. Lemon Juice

1 can Pilsner like Bauhaus Wonderstuff or Surly Hell

Surly Xtra Citra Pale Ale

Tattersall Blueberry Liqueur • Lemon Juice
Indeed Shenanigans Summer Ale or Blue Moon

Tattersall Crème de Fleur • Lemon Juice
Fulton Standard Lager or PBR

Don't be afraid to crack your beer, take a swig and pour the juice and booze directly into the can.

AMARO'S BUD

Think root beer for grownups. This one comes from our friends down in Memphis, Tennessee. When the locals discovered this delicious combination, liquor stores couldn't keep our Amaro on the shelves. The only way to make it better: a scoop of ice cream and a pizza party.

SOLO (serves 1)

2 oz. Tattersall Amaro

1 can Budweiser

½ oz. Agave Syrup

Combine 'em in a glass of your choice and garnish with an orange wheel. Easy as that.

PIERRE'S SHANDY

Feel like a true voyageur with a take on the Picon Bière, the original French Shandy. Just substitute Orange Crema for the agave syrup and try using a wheat beer — Hoegaarden works great. It's herbal with a citrus kick and you'll be trading furs before you know it.

PALOMA — BEERGARITA

You don't need to step on a pop top or blow out your flip flop to love this one. It's zesty, full-flavored and doesn't pull any punches. And, at the end of the day, isn't that everything you want in a Beergarita?

SOLO (serves 1)

1 oz. Tequila

1 oz. Tattersall Grapefruit Crema

½ oz. Lime Juice

6 oz. Surly HeatSlayer Kolsch

Combine in a glass with a salted rim, serve and let the good times rock and/or roll.

PITCHER (serves 6)

6 oz. Tequila

6 oz. Tattersall Grapefruit Crema

3 oz. Lime Juice

18 oz. Surly HeatSlayer Kolsch

Combine in a pitcher, serve in salted rim glasses and invite the band over.

SANGRIA

Makes Lake Minnetonka feel like the Mediterranean. Whether you're into red or prefer white, just the right amount of liqueur takes your standard sangria to a whole new level. So, load up the pontoon, crank the Julio Iglesias and serve up some divertido.

RED SANGRIA PITCHER (serves 4-6)

- 1 bottle Cabernet Sauvignon (or another dry red wine)
- 2 ½ oz. Tattersall Bitter Orange Liqueur
- 2 ½ oz. Tattersall Freewheeler Pommeau

Combine in a pitcher and garnish with oranges, raspberries and blueberries. Bonus points if you just picked the berries.

WHITE SANGRIA PITCHER (serves 4-6)

- 1 bottle Sauvignon Blanc (or another dry white wine)
- 2 ½ oz. Tattersall Crème de Fleur
- 2 ½ oz. Tattersall Americano
- 2 ½ oz. Agave Syrup
- 12 dashes Angostura Bitters

Combine in a pitcher and garnish with grapes, honeydew melon and lemon. Bonus points if you grew the honeydew.

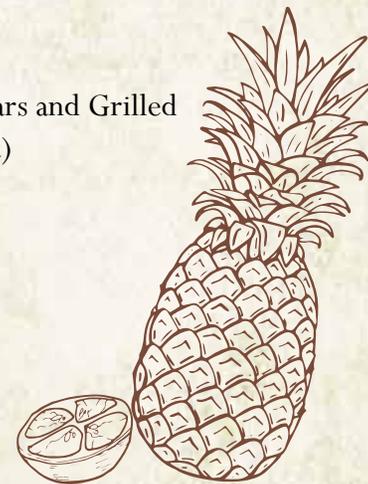

GRILLED PINEAPPLE AQUAVIT

Your backyard barbecues will never be the same again. This one takes just a little extra work, but the complex combo of pineapple, Aquavit and Amaro makes it well worth the effort. And now you can finally one-up your uncle's "world-famous" caprese salad.

GROUP (serves 4)

- ¼ Pineapple, Sliced into Spears and Grilled (Optional: Dust with Paprika)
- 6 oz. Tattersall Aquavit
- 3 oz. Tattersall Amaro
- 2 oz. Lime Juice
- 2 oz. Agave Syrup
- 2 cups Ice

Combine everything in a blender, blend, serve in the coolest cups you own and garnish with lime wheels.

BANANA DAQUIRI

When it's hot and humid, these go down smooth and easy. This one's a little sweet with a satisfying kick from the Blackstrap Rum and Orange Crema. And it's even better if you're lounging poolside.

SOLO (serves 1)

2 oz. Tattersall Blackstrap Rum

½ oz. Tattersall Orange Crema

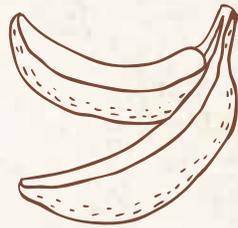

¾ oz. Lime Juice

½ oz. Maple Syrup

1 Banana

1 cup Ice

Combine everything in a blender, blend and serve in a pint glass. Add a crazy straw if you really want to live a little.

WATERMELON PUNCH

Life doesn't get much better than this. Gin and watermelon juice, served in a hollowed-out watermelon — it's sure to go down in family cabin history. Or at least your mom's Facebook feed.

GROUP (serves 8-12)

16 oz. Tattersall Gin

8 oz. Tattersall Americano

32 oz. Watermelon Juice

8 oz. Lime Juice

4 oz. Maple Syrup

Hollow out a watermelon and blend the melon into juice. Combine all ingredients in the melon, tap with a spigot (if you have one) or use a ladle to serve in your favorite cups.
