## ABOUT TATTERSALL

Childhood buddies Jon Kreidler and Dan Oskey founded Tattersall Distilling in 2015. They followed different career paths — finance and bartending — but shared similar ambitions and a love for great cocktails. It wasn't long before they decided to build a distillery that embodies their passion for taste and uncompromising commitment to quality.

Today, Tattersall distills an unrivaled lineup of spirits and liqueurs in the Historic Thorp Building — a warehouse that was once a top-secret manufacturing location for the Norden bombsight, a critical wartime instrument in World War II.

Every batch is conceived and perfected by an award-winning lineup of some of the best bartenders in the North. You'll find the finished products in liquor stores, bars and restaurants across the state and, of course, their stunning cocktail room. Enjoy Tattersall neat or in your favorite cocktail — and always in good company. Here's to spirited living!
